Meet The Youth Pastor

Hey guys! I am super excited to be the Youth Pastor at the River. I went to Washington County High School, and graduated with a degree in Exercise Science from the University of Mobile. I love missions, and feel like God may call me and my family to the mission field full time one day One of the trips I went on was to Australia, where I gave in to God's call for me to be in ministry.. That next summer (2018) I worked as a Bible Study leader for Fuge Camps. Not only did I gain experience teaching and leading, I also worked with a beautiful girl who ended up becoming my wife! We've been married for over 2 years and now have a 3 month old daughter. I enjoy teaching scripture, and leading people to Jesus. I'm also a die hard Kentucky fan and enjoy any kind of competition, I am excited to serve as your Youth Pastor, and to see what all God is going to do through the Traction Student Ministry.
