# #MYCPOSTORY

## AUSTIN'S STORY

I was depressed. I had isolated myself and pushed people away. One night alone in my bedroom, I heard the testimony of a vocalist of one of my favorite Christian bands on YouTube. God had saved and rescued him from his battle with depression and suicide. I had watched that video many times before, but that night was different. I felt this Presence with me that was very real. I decided to go to The Net, made great friends, slowly became more involved and joined a small group. Through The Net, I've made friends that will be honest and straight-up with me, when a lot of my old friends probably never would have. They didn't truly love me like the people in this community do. It's an awesome feeling.
