July 2025

Freedom is not simply about deliverance—it's about divine alignment. True freedom positions us to step fully into the destiny written for us before time began. According to Psalm 139:16, there are books in Heaven that detail the purposes of God for our lives. When we walk in the Spirit, we are empowered to fulfill what is written in those books.

However, destiny is not automatic. There are often legal issues the adversary uses to resist us. This is why the Courts of Heaven are so important. In that judicial place, we can deal with accusations, remove hindrances, and secure the legal right to move forward. Freedom is not just a feeling—it's a verdict rendered in the Courts that allows us to step into purpose without restraint.

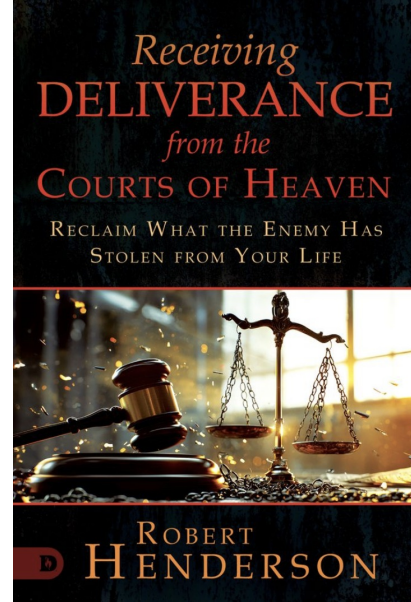

As we reflect on freedom this month, let's do more than celebrate it—let's activate it. Present yourself before the Courts. Agree with what is written in your book. Let every accusation be answered so you can run with clarity and confidence into the fullness of your destiny.

## **Courts of Heaven Prayer for Freedom and Destiny**

Lord, I thank You for the freedom I have in Christ. I come before Your Courts today and agree with the testimony written in my book. I ask that every legal claim of the adversary be revoked so I can walk

unhindered into all You have purposed for me. Let every voice of accusation be silenced, and every destiny assignment be unlocked. I choose to align myself with Your will and timing. Empower me to move forward with boldness, clarity, and divine favor. In Jesus' name, amen.
