

BREAKING BROKE | PT 8

TRANSITION TO POINT 4 - Now that we have broken the mindset, the lie, and the limits, we must embrace God's economic system.

POINT 4: BREAKING INTO GOD'S KINGDOM ECONOMY

GOD'S SYSTEM PRODUCES INCREASE WHEN YOURS PRODUCES EXHAUSTION.

Philippians 4:19 NKJV - "And my God shall supply all your need according to His riches in glory by Christ Jesus."

YOUR SUPPLY IS NOT GOVERNED BY YOUR ENVIRONMENT. IT IS GOVERNED BY YOUR ALIGNMENT.

- When Paul says, "*that you may lack nothing*," he is not promising ease. He is defining alignment.
- Lack is not first a money issue. **IT IS AN ORDER ISSUE.**

GOD'S ECONOMY DOES NOT RESPOND TO DESPERATION - IT RESPONDS TO DESIGN.

God's creative order – Genesis 1:

- Creation – Genesis 1:1
- Chaos – Genesis 1:2

THE GAP BETWEEN PROMISE AND PERFORMANCE

Ex. – Joseph, David, Jesus...

- **Calibration – Genesis 1:3->**

It means **realigning what already exists** to its original design. It implies **precision, intentionality, and authority.**

- **Command – God uses His word to realign!**

YOUR NEED IS SUPPLIED NOT ACCORDING TO YOUR ECONOMY BUT ACCORDING TO HIS RICHES.

- **Matthew 25:14 through 30 NKJV - This parable reveals that God rewards stewardship, multiplies faithfulness, and expands those who act with faith. The servant who hid the talent was rebuked not for losing money but for refusing movement.**
- **Deuteronomy 28 NKJV - God delights to bless obedience, diligence, and stewardship.**

Kingdom economy works through:

- Obedience
- Stewardship
- Generosity

- Wisdom
- Value creation
- Assignment
- Faith filled action

GOD DOES NOT PROSPER INACTIVITY - GOD PROSPERS ALIGNMENT.

If you carry a renewed mind, steward your assignment, walk in wisdom, embrace excellence, and sow with faith, you position yourself under the economy of Heaven.

To enter God's economic system:

- **Bring your thinking under Scripture.**
- **Bring your money under obedience.**
- **Bring your life under discipline.**
- **Bring your gifts under stewardship.**
- **Bring your purpose under faith.**

CONCLUSION: THE BEGINNING OF BREAKING BROKE

1 Thessalonians 4:12 NKJV "...That you may lack nothing."

This is not motivational language. It is apostolic expectation. God calls you to lack nothing. Not for ego. Not for luxury. **But for legacy and Kingdom assignment.**

- Breaking Broke begins by breaking the thinking behind broke.
- Breaking Broke begins by breaking the lies that protect broke.
- Breaking Broke begins by breaking the limits that reinforce broke.
- Breaking Broke begins by embracing a new economy, a new mind, a new expectation.
