

Dr. Sherlock Bally – The Climax of the Ages

Overview

Dr. Sherlock Bally delivers a timely prophetic message connecting current world events to the Word of God. From escalating conflict in Israel and Iran's aggression to the prophetic signs surrounding the red heifer and priesthood restoration, he declares that we are witnessing the *Climax of the Ages*—the convergence of prophecy, politics, and revival.

Even in the midst of turmoil, God is moving mightily. Reports from Iran show millions coming to faith in Jesus Christ. The shaking of the nations is not the end—it's the setup for a global harvest and the return of the King.

Main Points

- Israel at War: Hamas' charter and ongoing hostility toward Israel fulfill ancient prophecies of surrounding nations rising against God's people.
- The Nations Shaking: Recent bombings in Isfahan and Natanz, and tensions across the Middle East, echo the prophetic warnings of Ezekiel and Jeremiah.
- Prophetic Signs in Israel: Baruch Kahane appointed as High Priest; five red heifers from Texas delivered to Israel; private rehearsal for the red heifer sacrifice.
- Revival in Iran: God is working even behind enemy lines—millions are being saved, proving His Word cannot be stopped.
