Trust in the risen Lord by believing in Him

1. Jesus brings peace into this world that is unlike the peace that is promoted from the world. Describe the similarities, but mainly the differences, between worldly peace and biblical peace so you can spot the false one.
2. The struggle to believe all of the truth of the gospel at once is hard. In fact, Thomas walked with Christ for years seeing miracles and hearing the truth, yet he still was doubting. Where are there doubts in your life which have caused you not to believe in Jesus words? Does this mean you have unbelief or are an unbeliever?
3. The gospel often confronts our hearts with questions like, "In what ways have you asked Jesus to demonstrate His truth based on your terms?" Maybe you haven't struggled with this as much in justification, but have you seen this reluctance to believe work itself out in your sanctification?
