## LIFE GROUP DISCUSSION

## Trusting God in The Dark

1.	As we have been studying Ephesians, Jake has been pointing us back to
	praise to the Lord for all that He has done. Similarly, in Psalm 13 we have a
	song for all the people of God to sing as a form of worship. Consider the
	content of both sections, and hone in on the kind of truth that honors the
	Lord especially when it is expressed in a believer's life.

2. Have you been in a place where you can relate to David when he describes his deep pain (vv. 1-2)? What about when David describes his deeper faith (vv. 5-6) do you resonate with him still?

3. Ian concluded by asking if we have a biblical view of suffering? Besides Psalm 13, here is a short list of other passages on suffering:

- a. Genesis 50:20
- b. 1 Peter 2:20-23
- c. 2 Corinthians 1:3-7
- d. Romans 8:28
- e. James 1:2-8

4.	God's faithfulness to all is predicated on His dealings in the past. V	Nhat
	ways has God shown you His character in the past to help you get the	hrough
	today and hope in tomorrow?	

5. Have you ever been at a point as a believer where you were tempted to distrust God? How did God keep you from going astray?
