1. Discuss what you know about hospitality and how it is both cultivated and demonstrated in the home.

2. Have you ever found yourself in the "I have believed God and He hasn't fulfilled His promises" moments of life? What has tempted you the most in those times? What does the scripture reveal about what is happening in those temptations?

3. Jake highlighted an important distinction in regard to the coming blessings and judgments by saying, “The Lord is concerned that they would have their spiritual heads on straight with respect to these matters.” Considering this, why is the sin of unbelief not a little sin?

4. Ponder this week about how severe it is to disregard the Word of the Lord? Does God think lightly about His creation turning from His good and holy communication? How much more so for those whom He has called into His glorious kingdom.
