IN THE BEGINNING(S): GOD

### DISCUSSION STARTER:

- Think back to a time when you were filled with awe. Like when standing at the edge of the Grand Canyon, under a vast sky, or holding a newborn child. When is a moment you were in Awe?

### TEXT

Read: Genesis 1:1-2, John 1:1-3, 14, and Jeremiah 9:23-24

### DISCUSSION

#### 1. In the Beginning: God

- The Bible begins, not with a proof or defense of God's existence, but rather with a simple declaration. **Why do you think the Bible begins this way? And how do you think that instructs and shapes how we approach our faith and life?**

#### 2. God is Knowable yet Incomprehensible

- What helps you grow in knowing God personally?
- What reminds you that He is still far greater than you can imagine?

#### 3. God is Not Like us

- God never changes. He is infinite, perfect, and completely independent. **Is this Good News for us? How?**
- **How is God's perfect unity and eternal love within Himself as Father, Son and Spirit important for us to understand today?**

#### 4. God is the One who Comes Near

- From creation to the cross to the coming kingdom, we see a God who pursues His people. **What difference does it make to you that the eternal, all-powerful God wants to be known and dwells with His people?**

**How Can We Pray for One Another This Week?**
