CONNECT AND REFLECT

Discussion starter: If you could visit a missionary anywhere in the world, where would you go, and why? You could also share a memorable missions trip experience.

1. What did you hear on Sunday that has stuck with you?

Why do you think it made an impression?

Read together: 2 Corinthians 5:14–21

LIVE FOR CHRIST

2. How do you think our lives should be shaped by the promise that people from every nation will worship the Lamb forever?

What real life examples come to mind of people who have lived this way?

EXAMINE OUR HEARTS

3. Do you think there are opportunities for you to participate in missions that you have been hesitant to pursue?

Why might you be hesitant? What would you need to entrust to God in order to respond?

4. Pride is a constant enemy. Where do you see pride as a potential stumbling block in missions?

How might a desire to build our own legacy get in the way of serving people and strengthening Christ's church?

RESPOND IN OBEDIENCE

5. What is one concrete step you believe the Lord is calling you to take in his mission?

How can this group pray for you as you respond?

Pray together: Thank Christ for reconciling us to God. Pray for the people and ministries discussed, and for one another's faith, humility, and obedience.
