Giants of Compromise — Genesis 6:1–4

Scripture Reading

Genesis 6:1–4

1. Strange Giants in Scripture

Nephilim = giants, figures of terror and wickedness. Their presence shows how compromise creates chaos. Heaven + humanity = hellish results.

Reflection Question: What feels “giant-sized” in your life or community right now?

2. The Sons of God and Daughters of Humanity

Sons of God → the faithful, committed, godly. Daughters of Humanity → worldly, tempting, foreign entanglements. Their union produced compromise and destruction.

Reflection Question: What temptations or compromises do you wrestle with in your walk with God?

3. Giants We Produce Today

- When Christianity + greed = corruption
- When faith + flesh = compromise
- When sacred + secular = counterfeit worship
- When the called + careless = complacency
- When Christianity lies down with nationalism = oppression

Reflection Question: Which of these “giants” do you see most clearly in today’s church or community?

4. The Giants Around Us

Church → apathy, division, tradition without transformation.

Communities → poverty, prejudice, violence, injustice.

Families → brokenness, betrayal, cycles.

Neighborhoods → drugs, despair, guns.

Workplaces → exploitation, burnout, corruption.

Government → greed, oppression, injustice.

Hearts → fear, doubt, pride, unforgiveness.

Reflection Question: Where do you see giants most clearly in your own circle of life?

5. The Good News: Giants Fall

Nephilim also means “to fall.” Giants don’t last forever. Pride falls. Corruption falls. Cycles fall. The bigger they are, the harder they fall.

Reflection Question: Which giant are you believing God to bring down in your life right now?

Application Points

- Stay alert: avoid compromise that leads to chaos.
- Identify the 'giants' around you — name them.
- Trust God for victory: giants fall.
- Stand with faith, courage, and accountability.
