John 4:1–42

The Lord's Day Morning

February 28, 2021

The Apostle John writes the gospel of John knowing that true Christianity will not stay in Jerusalem but will enter the global marketplace of religion. The message of the gospel will be competing with powerful religious leaders and institutions that will consider it a dangerous threat. Chapter three ends with the clear affirmation that Jesus is unique, set apart from every other religious leader or founder. He is the only way to escape the eternal wrath of a holy God (3:36). So, what sets Jesus apart from every other religious leader?

1. Only Jesus \_\_\_\_\_ you with God's \_\_\_\_\_ (1–18).
2. Only Jesus \_\_\_\_\_ you from God's \_\_\_\_\_ (19–22).
3. Only Jesus \_\_\_\_\_ you for God's \_\_\_\_\_ (23–42).
