In obedience to God, Moses leaves the safety and comfort of Midian to take God's Word to Egypt. After the initial success of winning the favor and support of Israel, Moses may have thought this mission would be easy. But his first audience with Pharaoh is a failure of leadership that produces painful consequences for thousands. There is something to learn from everyone in this account.

1. Pharaoh's lesson: The peril of _____ is promoting _____.

2. Israel's lesson: The purpose of _____ is building _____.

3. Moses' lesson: The priority of _____ is pleasing _____.
