## The Burden Bearer

Numbers 4:1–49

The Lord's Day Morning

December 21, 2025

To successfully travel through the wilderness, everyone must do the job God assigns them. For the Levites, that will mean taking down, setting up, and transporting God's tent and all its contents in a specific and prescribed way. They were born for "the service of bearing burdens" for others (4:47). Here are six features of the Levite calling:

1. \_\_\_\_\_ work commanded by God.
2. \_\_\_\_\_ work that didn't just happen.
3. \_\_\_\_\_ work requiring sweat and blood.
4. \_\_\_\_\_ work for the people to be right with God.
5. \_\_\_\_\_ work requiring precise law-keeping.
6. \_\_\_\_\_ work requiring self-sacrifice.
