“Our Reasonable Hope”

1 Timothy 4:6–10

Resurrection Sunday

The Lord’s Day Morning

April 9, 2023

Sometime, somehow, somewhere, every person must wrestle with the four most important questions of life:

Where do I come from? Why am I here? What happens after I die? How do I know this is true?

Every religion and belief system must answer those questions, and each competes against the other. This morning’s text argues for exclusive claims of the Christian faith. The Christian faith is a body of objective facts that genuine Christians believe to be true.

1. If the Christian faith _____, all its rivals _____ (6).
2. The Christian faith is often _____ because its _____ are received (7a).
3. The Christian faith is worth the _____ it requires (7b-10a).
4. The Christian faith is based on the fact _____ (10b).
