

**“Two Kinds of People: Believers and Non-Believers “  
(sheep) & (goats)**

*Matthew 25:31-46*

The Lord's Day Morning

September 24, 2023

The Good Shepherd will come again to judge between believers and non-believers. For the believers their life is characterized by care for their “brothers”, it is fruit that demonstrates their faith.

For unbelievers, their faith is in their good works, that leads to a false sense of security, that leads to counterfeit fruit.

**If you are a believer (sheep), then how are you to live?**

1. Believers are to do \_\_\_\_\_ to the brothers and sisters, and then to unbelievers as well (Galatians 6:10).
2. Believers are to live \_\_\_\_\_, just as Jesus lived, we are to follow his example (Philippians 2:4-11).
3. Believers are to see mercy and benevolence, as an \_\_\_\_\_ for the gospel (John 9:1-7).
4. Believers must \_\_\_\_\_ that the eternal is more important than the temporal (2 Cor. 4:16-18).
5. Believers must realize that we are \_\_\_\_\_ to provide for the temporal needs of the brothers and sisters (1 John 3:16-18).

**If I am a believer (sheep), then how can I apply this today?**
