3. What do you think the most important thing is to believe about Jesus? Read again, Matthew 16:15-16
4. Who do say Christ is? Everyone has to answer that question eventually. If you believe He is the Son of God or not – both sides takes faith. Why do you think that is true?
5. There are two parts to the Easter Story: Accepting Christ as your personal Savior by putting your complete trust in him for the forgiveness of your sins. Then engaging in growing in your relationship with Christ through obediently following Him.

7. What would your life look like if you were to totally sell out to God?
