**Study Guide:** August 27 & 28, 2016

**Main Point:** Train for the trial you are not yet in.

2. Describe the worst storm you have personally experienced. What were some of your fears and thoughts during that storm (trial)?
3. What has been the biggest anchor for you during your worst storm?
4. Read Hebrews 6:19
5. What did you learn about forgiveness this week?
6. What are some spiritual disciplines you are "developing in the dark?"
7. Are you running towards the roar or to the ambush?
8. Share how being in community with others has helped you in your storm.
9. How is your training coming along?

"Get in God's word: 10 minutes a day, every day, will change the rest of your days."
