Week Two Study Guide
Use Your Gifts

Main Point: God's plan on how we can reach the world on His behalf is through unique giftedness and universal love.

1. Read Romans 12:4-13... There is a difference between natural ability and spiritual gifts.
 - What are the spiritual gifts that you believe God has given you?
 - How have you been using those gifts to build up others and to glorify Christ?
2. To go and make disciples is to lay our comforts aside.
 - What comforts do you need to put aside in order to make disciples for Christ?
3. Read 1 Corinthians 13... Our spiritual gifts are used in vain if they are not used in love.
 - Do you find yourself taking pride in your spiritual gifts and talents or do you find yourself utilizing your gifts out of Jesus' love for others?
4. We are called to shine in our home, occupation, and church community.
 - How do you allow your light to shine in these areas of your life?
 - What would your family members, co-workers, or friends say about you?
5. What now? Here are some of your next steps...
 - Take a spiritual gifts assessment test. [Free Spiritual Gifts Assessment at https://spiritualgiftstest.com/](https://spiritualgiftstest.com/)
 - Find an area to serve in here at Cypress. [Sign up to serve at https://cypresschurch.tv/volunteer](https://cypresschurch.tv/volunteer)
 - Ask the Lord to help you love more tangibly for Him at home and at work.
