Study Guide week 3
Mighty Warriors**

1. When you were growing up did you have a favorite super hero?
Who and why?
2. Read 2 Samuel 23:8-12. Included in these verses are the names and accounts of some of David's warriors – his most valiant soldiers. What do think their personalities were like?
3. What characteristics do these men and the three mentioned in verses 8-12 have in common?
4. Why do think your convictions and commitments are important?
5. How does fear keep you from taking a stand?
6. Think about a battle you are currently fighting. Remember, living the principles of God's word, is the only way to win the battle. "The people you associate with at a core level will determine the person you become." Who are the people speaking into your life? Are they making you more of the person God wants you to be?
7. Who is looking to you to be a warrior for God?
