

Living Life in Color
Discover Your Passion & Purpose
Study Guide – Week 2

Main Point: God has a plan and a purpose for my life. God gives me gifts to fulfill His plan for my life and His church.

1. Read John 3:1-21, pay close attention to verses 6-8. Take a piece of paper and write down your natural talents (don't be shy). How are natural talents different from the spiritual gifts God gives us?
2. Christians are the only ones to possess the gifts of the Holy Spirit. The purpose of spiritual gifts are to point non-believers to Christ, serve others and edify Christ. Read Romans 12:6-8. How does a church function when some people don't use their spiritual gifts?
3. Read 1 Corinthians 3:1-4. Are you ready for solid food? Are you ready to be transformed and live differently? Read Romans 12:2. How does this verse speak to you?
4. Are you growing in your spiritual journey? Where are you using your talents and spiritual gifts? Are you ready to give back to the one who gave us new life?
5. Take one or both (most likely you will receive the same results) of these spiritual gifts tests. It doesn't take long. <https://mintools.com> or <https://gifts.churchgrowth.org>

After reading the results, pray and ask the Holy Spirit to guide you and jump in. Stop by "next steps" or go to cypresschurch.tv/contact-us and we will get you on your way. Following Christ is always the best adventure and lives will be changed when you take your next steps.
