

Series: Fighting for our Future
Week 2: Pass It On
October 8 & 9, 2016

Main Point

Every person leaves a legacy. We are passing things on from one generation to the next. What are you going to pass on? We can't pass on what we do not have ourselves.

1. Now that you are an adult, do you notice some of the traits and habits of your parents in yourself? Is it a funny habit or one that you are so grateful for – maybe both? Read 2 Timothy 1:4-7
2. After reading 2 Timothy 1:4-7, what would you say is the most important part of this text? Have you had someone pass on the example of being a Christ follower? If so, how did/do they pass on a hunger, a desire, an understanding of God to you and others?
3. Read 2 Timothy 3:1-5. How does this scripture sound like reading a news feed from our world today? Talk about the similarities.
4. Pastor Ken gave us three different arenas to passing on a Legacy.
 - a. Self-leadership - Empty ourselves and be filled by God day by day
 - b. Relational leadership - Pouring into someone else
 - c. Missional leadership - Sharing Christ with others
5. How do you develop yourself in a closer relationship with Christ and how does that transcend to others?
6. What does it mean to live a life in the fullest of Christ's love?
7. How do you empty yourself so that you may be filled with more of Christ's power?
8. How do we do pass on the legacy? Have you taken these steps?
 - a. Draw near to Christ; give your life to Christ.
 - b. Empty self and be filled with Christ daily. Grow.
 - c. Invest in relationships; pass it on through loving, serving and teaching.
 - d. Help others win.

By doing these four things, we can impact the world ONE PERSON at a time.
