

Fight for the Future: Something Worth Leaving Behind

Week One – Study Guide

October 1 & 2, 2016

Main Point

It doesn't matter who you are, it's what you leave behind that matters. It's not about you but how your faith is shown to the world.

1. Read 1 Timothy 1:12-17. Describe a time when you have benefited from someone leaving you a legacy.
2. Pastor Kujo talked about filling the hole in his car, with paper. The paint cracked and they rebuilt it. What in your life represents the paper and what needs to be rebuilt?
3. Draw a stick house. Write these 3 points around your house:
 - >We need to have something worth leaving.
 - >It's not about who you were but who you are becoming.
 - >Others are depending on your Legacy.
4. If you knew tomorrow was your last day on this earth, what is the "something" that you would want to say to someone you care about?
5. As a believer, do you ever find yourself stuck dwelling on your past vs. focusing on what you are becoming in Christ?
6. Do you remember the definition of mercy? We all deserve death but Christ gave us life. Read 1 Timothy 1:16.
7. What has God done in your life that can be used to help someone else?
8. Other people depend on you. What will you strive to be better at for the glory of God?
9. How has someone else's legacy impacted your life?
