Week 2 Study Guide
More Than A Servant

1. What do your Twitter, Instagram or Facebook profiles tell others about you?
2. Read John 15:15
3. What does verse 15 say about the kind of relationship Jesus intends for us to have with Him?
4. Why is it so important to see ourselves as God sees us? How do you see yourself? How do you think God sees you?
5. "If we fail to see ourselves through the lens of our heavenly Father, we will fail to see others through His lens as well. We have to go through the process of allowing our mirror/perspective to change." Why do we struggle with this?
6. Describe your "cumulative" effects with Jesus. What does your spiritual timeline look like as a kid, teen, young adult, etc. Do you believe it's true that all those combined efforts move us to live like Christ? How?
7. Which best describes where you are? (this doesn't have to be shared with your group) – Pride reads scripture and asks the question: "How can others change?" Humility reads scripture and asks the question: "How can I change?"
8. Read John 15:7-8
9. Extraordinary acts of God start with the everyday, ordinary acts of obedience. What "ordinary acts" of obedience is God wanting you to do today?
