

**Famous  
Adjusting Your Focus  
Study Guide week 4**

**Main Point:** What legacy are we going to leave?

1. Other than Jesus Christ, who would you say is the most famous person to ever live? Why? What legacy did they leave?
2. What stands out to you in the following scriptures regarding how we are to live?
  - Philippians 2:1,2
  - Philippians 2:3,4
  - Philippians 2:6-8
  - Philippians 2:9-11
3. How do we move away from being self-centered, self-focused, and self-absorbed?
4. What would your day have looked like if you had taken on the attitude of “it is not about me”? Would anyone have noticed a change in you?
5. “A clear focus will drive our actions.”  
Talk about what you think Christ-focused living looks like.
6. Drew talked about one of the best ways to keep ourselves from becoming selfish and self-focused is to pour into making a difference in the lives of others. Think about ways you can start doing this today – at home, at work, and within the walls of Cypress.
7. What are the things in your life that take your focus off of Christ? Is there something you can lay down this week/today in order to “adjust your focus”? Take some time in your group to pray together and ask Christ to keep you focused on Him.
