Miracles

Week 4 Study Guide

Main Point: As we conclude this series on Miracles, we are reminded that the miracles recorded in the Bible are true and God continues to perform miracles in our world today. Those who believe will better see miracles and be a conduit for them to occur. God calls us to a great miracle each day: a relationship with the Creator of the Universe through Jesus Christ, to cast off the patterns of this world and be changed for His glory.

Read [John 5:6](#)

- What is a bad habit or personal doubt you are struggling with currently?
- What is the one thing you pray you could change about yourself or your family?

Read [John 5:8](#)

- What miracle have you been praying for this month?

Read [John 5:14](#)

- What behavior, thought pattern or excuses might you change in anticipation of a miracle?

Read [John 5:15](#)

Pray for God's good and perfect will in His good and perfect time and give all the Glory to God.

Further Actions & Readings:

- An overview of the Gospel of John (the focus of this week's teaching) may be found in the Bible Project's YouTube Video. Search: 'Read Scripture: John Ch. 1-12' or <https://youtu.be/G-2e9mMf7E8>
- Join the people of Cypress Church in praying for miracles in the church and through the church.
