

**Summer at Cypress
Study Guide Week 4
5 Critical Conversations**

God has not called me to understand or fix everything; God does call me to be faithful to Him.

1. Read Deuteronomy 6:6-9. In verse 7, what do you think it means to “impress” God’s commandments on your children?
2. What is one practical thing or skill that you’re thankful your mom or dad taught you growing up? How was your view of God passed down to you and how does it play a part in your spiritual walk today?
3. If you are a parent, what are some ways you teach your children practical things in life? What about their faith and becoming a follower of Christ? What does that look like at your house?
4. If you are not a parent, how can you speak spiritual truth to children around you – relative, neighbor, etc.?
5. Pastor Ken shared with us 5 important talks he has with his kids. Why do you think these particular topics are so critical in our lives and the lives of the next generation?

Money.	Ownership & Honor	Malachi 3:10
Sex.	Purity & Covenant	Job 31:1
Daily Discipline	Consistency & Compounds	Matthew 6:9-13
Your Purpose	Purpose & Joy	Ephesians 2:10
Spiritual	Trust & Faithful	Proverbs 3:5-18

If you are feeling like it is too late – it is never, ever too late for God to do amazing things through you. He gives us a “gift of a new beginning”.
