

MEMORY VERSE: Romans 12:2

Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think. Then you will learn to know God's will for you, which is good and pleasing and perfect.

INTRODUCTION HOPE

- In the word of God, there are many things that are clearly stated, like "Thou shalt have no other gods before me" or "Thou shalt not steal." But then there are many things that we face in life that the Bible is either not clear about or is silent on. Many things are questions that are practical for everyday life and yet the Bible seems to not answer such as,
 - "How do I know Christianity is the right religion? Can I even know?"
 - "Can I kiss someone or hold my boyfriend's hand?"
 - "Did God create me gay?"
 - "Can I vape?"
- In this series, we will discuss principles found within the Word of God that will help us live worthy of the calling that God has called us to live, even when it seems the Bible is silent on the subject.

DISCUSS & APPLY

- How do you determine right from wrong? Why?
- Are there times you use things outside the Bible to determine right from wrong? Give an example...why?
- How do you determine right from wrong when the Bible is not clear or silent on the topic?
