

Fashioned

IN THE IMAGE OF GOD

WEEK NINETEEN CONCLUSION

1. In your own words, how would you define a godly woman?
2. Why is it important that you pursue godliness? What is the impact a godly woman can have on the lives of those around her?
3. We examined several characteristics that a woman who is Fashioned in God's Image will display. Which week was your favorite one and why?
4. What is one thing you have learned or an area you have grown in as a result of this study? What are areas in which you could improve and how will you focus on doing so?
5. In the days to come what is your plan to continue to seek Christ and allow Him to fashion you into the woman He intends you to be?

We are so glad you joined us as we've studied through what it means to be Fashioned in God's Image. You have been created as you are on purpose, for a purpose. As you live your life in surrender to the Lord you are being progressively fashioned into a godly woman of strength and dignity. Each day you have the opportunity to utilize all that God has given you either for your own glory or for His. What will you do with today?

Charm is deceitful and beauty is vain, but a woman who fears the Lord, she shall be praised. Give her the product of her hands and let her works praise her in the gates.
