

RESPOND

A STUDY OF THE PSALMS

APRIL 7TH, 2026
DISCUSSION

1. What is something that you have studied and the more you study the more you realize you didn't know?

2. How is the name of God treated in various groups in America?

3. How do infants and nursing babes praise God?

4. Share a story of God showing you His strength in your weakness?

5. How does Jesus perfectly fulfill (Hebrews 2) the prophecy of Psalm 8?

6. Jesus is 'unashamed to call us brothers' despite our sin, if we put our faith and trust in him. How does that impact your boldness in proclaiming his name?

PERSONAL STUDY

The descriptor at the beginning of this psalm-majestic-is not a word that we use too often.

A. What is something that would be appropriate to use for this word?

B. How is God involved in that thing?

C. How does that magnify the majesty of God?

Since the majesty extends across the earth (v.1, 9). How might we see and proclaim his majesty across the earth?
