## Talk It Over

Group Icebreaker (optional): What is the funniest prank you've ever played on a person?

1. Which of the three categories that were discussed tonight do you find yourself or your marriage in? If one of the first 2, what's keeping you from the third category?
2. Read Revelation 3:15-16. How do these verses relate to the compromisers? Should this be a warning to any of us not to surround ourselves with those who lift us up?
3. Read 1st Corinthians 15:33. How often do we consider this before we surround ourselves with non-believers? Before we consult "the world" for advice?
4. Look at the examples from Moses and Peter, it can be easy for even the faithful to get off track at times. How can we surround ourselves with people that either positively or negatively impact us?
