## OVERVIEW

### BOTTOM LINE: TRUE DISCIPLES CARRY ONE ANOTHER'S BURDENS

One of the most effective ways to be a true disciple and love one another is to pray for others. We see this all throughout the Word of God, that people pray for each other, that Jesus prays for others, that we are to pray for our enemies, etc... But we don't only see that we are to pray we see that God answers those prayers over and over through out the Word of God and when he does we see a revival in the hearts of people to love and serve God. Which is why we love one another (**pray for others**) to shine the light of Jesus to the world.
