Talk It Over

1. What things do you tend to put first in your life that are not God? Leaders: Offer solutions to things mentioned on how to get back to right order.
2. Share some ways that we can keep from letting worldly things take God's place. (ie. jobs, homes, health, power, money, even your spouse, etc.)
3. What are some things regarding having children that can cause things to get out of right order in our marriage, and how can we prevent that from happening? Share wins and best practices.
4. If we put our spouse in the place that God should be, we can be let down. How does taking our eyes off of our spouse, and fixing them on Jesus, help us draw closer in our marriage?
5. Read Proverbs 3:6. What does this verse say about what will happen as we trust in God?
