OVERVIEW

BOTTOM LINE: ORIGIN | WHERE DID I COME FROM?

In the Bible we read, "In the Beginning God..." But in modern culture we hear, "over millions/billions of years we evolved." How do we know which is true? Can we even know which is true? Or is there a way that both are true? This week we study the Word of God and see which worldview stands the test of truth.

DISCUSSION

• TOPIC:

- **FOR FUN: Which came first the chicken or the egg? :)**
- What did you learn this week about the way God created everything?
- What is something you never knew about the creation account in the Bible?
- Other than biblical creation as an explanation of the origin of life, what are other Worldviews that explain the origin of life?
- What questions do you have about creation or other worldviews regarding the origin of life?
- What claims of other worldviews of the origin of life seem to be logically **TRUE** to you? Why?
- What claims of other worldviews of the origin of life seem to be logically **FALSE** to you? Why?

• APPLICATION:

- How does knowing how God created everything change or not affect the way your live?
- What elements of biblical creation are easy for your to believe? What elements are difficult for you to accept or do you doubt? Why?
- While reading about the Biblical creation account, did you learn that you have beliefs about the origin of life that are not consistent with the Bible? What are they?

- Do you believe in Biblical creation as the origin of life or some other worldview?
- How do you think your worldview regarding creation and the origin of life affects your faith? How does it impact your every day life?

HOW DID YOU FEED YOUR FLESH?

• TOPIC:

- If you don't believe in the biblical account of creation, how does that impact your view of the inerrancy(without error) and infallibility of the Bible (that it is without error and incapable of being wrong)?
- How do you wage war against doubt in the word of God or doubt regarding your faith that creeps in during everyday life?
- In what ways do you fail to guard your worldview from worldly influence?
- What are some strong influences of your personal worldview?
- In what ways have you neglected the Holy Spirit's convictions when you discuss evolution at school or when someone mentions something that conflicts with a Biblical worldview?

GENERAL

- Throughout the week, what other sins were you tempted with that the Holy Spirit is showing you need to let go of? How can we pray for you and help you stay accountable to the Holy Spirit?
- How many times did you miss reading this week? If you didn't read this week, why? What can you change?

HOW DID YOU FEED OTHERS?

• TOPIC:

- In what ways do you share your worldview and beliefs about God and things like creation (which is foundational to the tenant that God loves us!) with people around you? Do these beliefs filter into your everyday conversation or do you tend to avoid discussing them?
- Have you had any conversations recently with people in your life about what God is teaching you or His role in your life? How did they go? If not, why?

GENERAL

- What specifically could you have done differently this week to share God's hope with someone this week?
- Did you feel stirred by the Holy Spirit to share you faith with a lost person or to encourage another believer this week and not do it? Why not?
- If you are not feeling led to share your faith or seeing chances to love others or ways to live more fully for the Lord, why do you think that is? What will you change?
- How did you encourage, teach or challenge another believer in their faith this week?

- Watch tomorrow's VLOG
- Read your Bible every day this week
- Memorize a verse or passage that the Holy Spirit speaks to you through
