

CONCLUSION

We have loved having you join us for Stewards of His Grace. In the days to come we challenge you to read the entire book of Ephesians all the way through at your own pace.

1. Write out your understanding of what grace is and what it does for us and empowers us to do:
2. What does it mean to be a steward of God's grace? Are you a good steward of the grace you have lavishly received from God? Are there any areas in which you could improve?
3. Ephesians challenged us in a multitude of ways. We were reminded of the riches of grace we have been given in Christ and how we are called to walk worthy of the grace we have received. We have studied unity, forgiveness, prayer, sharing the Gospel, studying the Word of God, spiritual warfare and so much more. What is one thing you have learned or an area you have grown in as a result of studying the book of Ephesians?
4. In the days to come, what is your plan for continuing to study Scripture? Is there someone you could invite to study a portion of Scripture with you?

Memory Verse:

I pray that the eyes of your heart may be enlightened, so that you will know what is the hope of His calling, what are the riches of the glory of His inheritance in the saints, and what is the surpassing greatness of His power toward us who believe.

- Ephesians 1:18-19
