

God has a Word for you.

God is not bound by culture, economy or politics.

God is Spirit

Spirit transcends all things

Have you ever embarrassed yourself?

Have you ever been victimized?

Have you ever done somebody wrong?

Have you ever done things that were unforgivable?

I am asking you these questions because we have to deal with the stuff that keeps you up at night, that makes you feel unworthy, that screams at you that you can not succeed.

Jesus forgives, restores and commissions.
