

Sermon Notes: 1 Samuel 17

The story of David and Goliath is first good news then good advice. Reverse the order and you get the story wrong.

The word champion actually means “the man in between.”

This story is the Bible’s story in miniature form.

“The story isn’t about you defeating your giants, it’s about God’s Champion defeating the ultimate giant on your behalf.” Tim Keller

“The Gospel is that Christ has conquered for us, and now we live in the good of that victory.” Sam Allberry

Act boldly

Are you more offended when you are insulted or when God is?

“Revival is us being jealous for God’s glory.” Leonard Ravenhill

Boldness in the present is fueled by rehearsing God’s faithfulness in the past.

Boldness is contagious.
