FIRST BASE: HOW TO WIN WITHIN

FOCUS

Character is often the most neglected base for people. In many Christian circles, it is assumed that people work on it. However, many believers neglect character as much as their non-believing counterparts do. The hope is that we will focus on our character issues so we can deal with them.

WHAT WE NEED TO KNOW

In the Vine, is the power to win within, When I drift from the vine, I drift into vices!

WHAT DO I NEED TO DO

1. Live for the truth.
2. Plug into the vine.
3. Draw the line.
 - Solid Lines—Wrong for Everyone
 - Dotted Lines—Wrong for me
