SECOND BASE: HOW TO WIN WITH OTHERS

FOCUS

Relationships impact every area of our lives. God created us to be in relationships with others. We would like to identify where we most need to grow relationally and take action to improve in that area.

We live in a culture of broken relationships. A startling number of people come from broken homes. To many of them, dysfunction and brokenness seem normal. It has always been God's desire that we would have whole relationships and take responsibility for repairing relationships and loving people.
