

MEMORY VERSE

SIGN LANGUAGE

RISE & SHINE

We all know that strategic hand motions help kids remember what they're learning, but what if you could accomplish *even more* than simply helping kids remember Scripture? Every Grow Kids memory verse is provided in age-appropriate signs, using a combination of SEE and ASL. Encouraging kids to learn each memory verse in this way will better **include kids and families impacted by hearing impairment**, and will **promote awareness and inclusion** for the rest of your kids and families!

This memory verse was translated into sign language and performed by Sunny Brown, a pastor in Atlanta, and ASL interpreter, with an Associates in ASL Interpreting and a Minor in Deaf Studies.

*He is not here;
he has risen!*
