

EXPERIENCING  
GOD

“Knowing and Doing  
the Will of God”

SERIES BEGINS

## Why Experiencing God?

Jesus said, “This is eternal life: that they may know you, the only true God and Jesus Christ, whom you have sent” (Jn 17:3). The essence of eternal life is for you to know God and to know Jesus Christ, whom He has sent. Knowing God does not come through a program, a teaching, or a method. Real Christianity is not merely a religion; it is a relationship with a Person. It is an intimate relationship with God. Through this relationship God reveals His will and invites you to join Him where He is at work. When you obey, God accomplishes through you something only He can do. Then you come to know God in a more intimate way by experiencing Him at work through your life.

Through this study we want to help you move into a deeper relationship with God where you experience eternal life to the fullest right here and now. Jesus said in John 10:10 “I came so they can have real and eternal life, more and better life than they ever dreamed of.” You can experience a better life if you are willing to respond to God’s invitation to an intimate love relationship with Him.
