October 8th, 2017: EVERYONE'S INVITED

OPENING

- Do you tend to remember your dreams? What is the strangest dream that you have ever had?

DISCUSS & APPLY

Read Acts 10

- What kind of guy was Cornelius? In what ways was he like and dislike a typical Christian?
- Why do you think God wasn't very specific in his message to Cornelius? Why do you think God doesn't always tell us everything we want to know?
- Describe Peter's vision. What was the meaning behind it? Why do you think Peter needed to get the same vision three times?
- In what ways did Peter consider himself to be a better person than Cornelius? What are some ways Christians can be judgmental today?
- What would disqualify a person from possibly being a Christian? What qualities must a person possess to be a Christian?
- God spoke to Cornelius through an angel and to Peter through a vision. How does God speak to us today? Has the Holy Spirit ever said anything to you?
- Did Peter think that he was being faithful?
- What is significant about the order of events in verses 46-48? How would you describe the process of becoming a Christian?
- How have you been resisting what God has been calling you to do?
- What did Cornelius do when he first saw Peter? What lessons can we learn from Peter's response?

FINAL APPLICATION

Is there someone in your life that you think is too far away from God? What is keeping you from inviting them to church?
