

# GRACE & TRUTH

*Ps. Jesse Eisenhart*

## **John 1:14-16**

You and I were SAVED BY GRACE  
And this grace is UNLIMITED !  
Grace is inexhaustible, it CAN NOT run out!  
There is NOTHING that can separate you from Gods love and grace!

Grace covers IT ALL

## **Ephesians 2:8-9**

We have unlimited grace and absolute truth  
Absolute truth reminds us of the law! Often times what is wrong in us feels right !  
Christ did not come to abolish the law, he came to fulfill it!

We can be betrayed in the way we feel!  
Christ came to provide a way for us  
We were in SIN and GRACE forgives the sin but guides and directs us into truth

## **Matthew 5:17-18**

### **John 14:6**

"I AM THE WAY"

Jesus is saying, "I am grace, I am truth, I am life!" He is the way to eternity with our father

Out of grace and truth we will have life!

### **John 17:17**

### **John 14:14-15**

The way people know we have received grace is when we walk in his absolute truth.  
"If you love ME, obey my commands"

The spirit of truth !

Christ comes and is our salvation, and leaves with us our advocate - the Holy Spirit - our SPIRIT OF TRUTH

When you release everything to Christ, absolute truth is easy to receive

Grace without truth is like license to sin

If Christ didn't come to give us absolute truth, then there would be no need to be formed into the image of Christ

When we walk in TRUTH we are becoming like Christ and becoming holy !

We are to be students of the Word!

Grace without truth tends to let us take grace for granted

Can't force people to love, serve and follow Jesus...lead them

Grace before truth

### **John 8:2-11**

Jesus reaches out to humanity  
Most people want to fix themselves  
Jesus said you are forgiven, sin no more
