

The People vs Jesus

It Is Finished

Matthew 27:50-51

John 19:30

"IT IS FINISHED"

Not only was it finished when Jesus died on the cross, it is STILL being finished! It's ALWAYS finished!

When Christ came, he not only defeated the enemy, he ripped him of all his power!

Colossians 2

As we grow in our walk with God, we should be MORE hopeful and confident in God's promises !

THIS IS FAITH! Our faith should INCREASE as we know God more!

God's declaration in our life - YOU DO NOT HAVE TO FEAR OR WORRY

God has a greater desire than to just remove pain from your life - it's to know us more and to draw us closer to Him!

When the curtain tore from top to bottom - when there was no way, God made a way. For FREEDOM

In following Jesus, we are dead! IT IS CHRIST WHO LIVES IN ME

If we lose our life, we gain our life (in Christ !)

When God sees Christ, he sees us!

When God sees us, he sees Christ!

Faith must not come from a place of fear - it must come from a place of love

The entire world is in an identity crisis

Income, ethnicity, political party, sexuality, gender, etc!

This creates insecurity and our source of power

THE ONLY ONE WE SHOULD IDENTIFY WITH IS JESUS CHRIST

Our source of power should come from Christ!

It is either true or it's not

He either overcame death or he did not

We call ourselves believers but what we believe is demonstrated in our life

If Jesus is who he says he is - then EVERYTHING is not mine, it's HIS!

He has provided me EVERYTHING I need to overcome

If you haven't questioned whether Jesus' resurrection is true, maybe we need to start questioning it! Because when we start to seek out answers- we get CLOSER to God!

If the resurrection is not true, Christianity falls on its face and nothing matters

Romans 10:17

Our faith comes from KNOWING GOD!

We've already received what we need when Jesus died and rose again! We just have to BELIEVE it!

Our faith and theology shouldn't be based on experience or how I feel, it should be based on God's word!!!

God wants us to know he is walking WITH US, BESIDE US! He is always with us! God wants to accomplish that. He is with you and wants you to know where He is in proximity in this battle...right beside you. Example of Jesus being in the boat.

We believe the power of God raised Jesus from the grave

He is our healer, provider, source of Joy

Not a matter of remedying how I felt but closing the gap we have with him. Have a closer proximity, believing and trusting him. Agree with Him

When everything in the boat was going wrong they woke Jesus up asking don't you care about us? Ye of little faith!

We should have the confidence faith and belief that Jesus can do the same today

What you desire is not going to happen. It is a season and the enemy is still active. Carrying around false beliefs. Open the word of God and don't believe the lie

Only free as your mind is... your weapon is the word of God. How much mores should we read and memorize? Give yourself rest, sleep, exercise, eating right and fight with word of God

Speak Gods promises and give thanks. It's not a method! Speak those words and get them in your spirit

Your response as a believer is so important to the victory you walk in

Galatians 2:20

God already said you have a hope and a future, you have to believe it
