

# FREEDOM

Week 3  
Joe Sangl

We are no longer slaves to sin!  
We can choose life!

Choosing financial freedom  
Believe that it's possible for you!  
Take the next step that is necessary

How much money do we need to experience financial freedom?  
"A Lot?"  
Of all the things that can capture us, greed has the biggest blinders

Statistically, Americans are not experiencing financial freedom

Some are bound by their debt, but some are bound by their wealth!

Pursue contentment:  
"But godliness with contentment is great gain. For we brought nothing into the world, and we can take nothing out of it. But if we have food and clothing, we will be content with that. Those who want to get rich fall into temptation and a trap and into many foolish and harmful desires that plunge people into ruin and destruction. For the love of money is a root of all kinds of evil. Some people, eager for money, have wandered from the faith and pierced themselves with many griefs."

**1 Timothy 6:6-10**

Bitterness won't help you make progress! Use it to learn and GET BETTER!

We can quickly become discontent through social media!

"A sluggard's appetite is never filled, but the desires of the diligent are fully satisfied."

**Proverbs 13:4**

God can help us achieve contentment !  
He will change our desires!

Only what's done for Christ will last!

Our setbacks position us for great comebacks!!  
If we want freedom, pursue contentment!!

Avoid debt  
**Proverbs 22:7**  
**Romans 13:8**

What would your life be right now if you had zero debt?  
One of the greatest gifts you can give your family is financial freedom.  
It allows us to be prosperous in the non prosperous seasons  
A financial mess always leads to financial stress.  
Debt isn't wrong! But don't get any debt that can prevent you from living generously!!

Save and build margin !

**Proverbs 21:20**

Margin allows us to accommodate ! Life is going to happen! Margin allows us to have freedom. Margin allows us to be generous!

Margin allows us to prosper!

Be generous!

If we want to have financial freedom, we have to be generous!

**1 Timothy 6:17-19**

...."so they may take hold of the life that is truly life"

**2 Corinthians 9:11**

Generosity is the antidote to greed!

It changes "I have an obligation to give" to "I have an opportunity to give"

Generosity sets you free!

Money shouldn't go to you, it should flow through you!!!

It's good to have some margin, but let it flow!

Ultimate freedom is found in Jesus Christ

**Romans 10:9**

**2 Corinthians 3:17**

**Romans 8:1-2**

For the rest of our lives, worship the PROVIDER, not the provision!!!

How much money do you need to experience financial freedom?

When you have ENOUGH!
