

# Faith & Courage

*Ps. Jesse Eisenhart*

## **Isaiah 53:4-5**

We need to understand the attributes of our God, the will of our God!  
God cannot be based on our experience or situation!

"...by HIS wounds, we are healed"

When we make an excuse, it's usually at the cost of TRUTH!

## **Matthew 8:16-17**

"To fulfill what the prophet Isaiah said; He took up our infirmities and bore our diseases"

Jesus came to make us WHOLE

By HIS wounds, WE ARE HEALED!

God's assault on sin! Jesus came to destroy the works of the devil.

-the devils works (which is sin in our life) affects all aspects of our life- physical, emotional, and spiritual!

In order to come to Christ and recognize him as your Lord, we need to acknowledge our sin!

The same faith we use to receive salvation is the same faith needed for healing!

"What did you expect"?

God didn't come to bring us happiness- he came to bring us HOLINESS!

Holiness means to be set apart,

Happiness means you're a victim of your surroundings

Some of us live our lives as if God didn't already win!

There's a difference between hope and faith!

Faith BEGINS by saying I have a confident assurance!!

God can heal people when they are hurting and he WANTS TO!

God will use what the enemy planned to use to seek kill and destroy

## **Psalm 92:13**

The enemy's main goal is to keep us from letting us be rooted in the church.

God uses the tactic of what the enemy wanted to use to destroy you to STRENGTHEN you!

We are losing the idea of learning how to love through it!

If we are faithful in the relationships that God called us to have, people around us are going to want what we have!

REAL friends work through stuff! It produces something that will change us.

"By your wounds we ARE healed"!!!

Not were healed, not hope to be healed, we ARE healed!

We always pray in a way that thanks God for what he wants to do and what he is ABLE to do!

No matter what is happening!

It never puts into question who Jesus is!

Have the courage to pray that God can do the supernatural in your life! God wants to give us the desires of our heart!  
God called us to a life of being comfortably uncomfortable. What we perceive to be painful is on the opposite side of the blessing!

Unless we live by FAITH, we live by our senses!

May we be people that believe God is able to do the supernatural!
