

# Planted & Built it

*Dr. Scott Wilson*

If anything is a challenge to us, it's the world of feelings!  
Feelings outweighs truth

## ***Colossians 2:6-7***

"Do what you've been taught! Quit studying the subject and start living!" (Msg)  
This is what Paul is saying in this passage:

1. You have RECEIVED Christ (you understand GRACE!) receiving is giving up CONTROL. Receiving Jesus is just letting go (and letting GOD)  
Receiving Jesus is saying "I can't do this on my own. I have to LET GO."
2. We WALK in Christ. Jesus brings purpose back in. Brings a sense of destiny. Jesus says to WALK! Not crawl! When we are walking - we are going SOMEWHERE!
3. We are ROOTED in Christ. All life is only as good as its root system. Understanding the power of paradox (Jesus was 100% God but 100% human) we are rooted in Christ but also have to be BUILT up in Christ. My worth on my own is nothing - but planted in the house- my worth goes up!!
4. BUILT up in Christ
