

Run With It

Ps. Jesse Eisenhart

Without vision, you're unrestrained.
Without vision, you will perish

Being lost and unable to find the person you are following is scary!

It's one thing to be lost for an hour or a day; it's another to be lost or off track for your life!!

Pride and arrogance will prevent you from hearing the Word of God in your life.

We are created to know God, to bring Him glory, and make Him known!

When our own expectations don't line up, we try to make things happen!

We try to accelerate Gods "tardiness" in our plans.

When we submit to Gods own timing, those things that we desire don't become a detriment to us but what He desires it to be - a blessing.

Because God uses the season of not having what we want or desire!

We know where we're going! WE ARE PURPOSED TO GREATER THINGS! God has given clarity and direction in every season of our lives. Don't ever grow weary in loving people, serving people, caring towards people, generous towards people.

We are CALLED to be the light in the darkness, To RECONCILE.

Sometimes we need to have the end in mind so we can be present in what God has called us to do NOW

We try to operate in our own senses yet live in the Kingdom.

We don't walk by what we see, how we feel; WE WALK BY FAITH

We have to change the way we operate

It is not ignorant to walk by faith

Walking by faith is an ACTION!

We can't follow God wholeheartedly if we're not willing to MOVE

Habakkuk 2

God wants us to stand in the midst of hurt and pain to a GLORIOUS FUTURE! He wants us to be able to be a light in the midst of pain and turmoil.

There is no autopilot in your walk with Jesus (or anything in your life!) this means we need to constantly focus on what's before us

ABOVE EVERYTHING ELSE, find time with God!

Have more confidence in God than you have in yourself.

When you get a Godly vision, it cannot be accomplished on your own.

Ephesians 3:20!! - This is the God we SERVE!

Be aware of the present but speak to the future. God wants us to be people of vision and He has called us to greater days, to greater things

You're never too old or too young for vision.

What vision do you have for your life?

We are favored and highly chosen, set apart, more than conquerors. We need to know who God says we are.

Vision is a bridge between the present and the future. To see beyond where we are to where God wants to take us.

Vision needs to move from the heart to the mouth- but it originates in the heart.

“Out of the overflow of the heart, the mouth speaks”

Be attentive and ask God what He wants us to change and give us vision- God will speak to us.

When we take Gods Word and believe it as truth, things start changing in our lives! God does something in our spirit.

Vision isn't only about what we say but the way we see it

We are CALLED as a CHURCH to introduce and disciple

God wants to use you through the seasons you've been through so you can speak to others and encourage others

“Wait for it, And then run with it”

When God gives you vision, run with it!

VISION WILL CHANGE THE WAY YOU SPEAK, - you can see it in their eyes!
