

The Overflow

Ps. Jesse Eisenhart

True North Foundation

Everything that happens outside of church is the overflow of what is happening inside of the church!
The passion and primary focus is to build the House of God (introduce & disciple).
The best thing you can give your children is to give them a thriving life giving community local church.

The True North Foundation is a collective umbrella that will **REACH, REFRESH, and RESCUE.**

Reach - our partnerships and what we do in the local community and around the world.
We want to serve the community! **James 2:15-16**

Refresh - professional counseling for any area of life, creating a team of counselors. Addiction recovery groups, grief groups for parents of children that were addicted/are addicted, fresh start housing for those recently back from recovery (June 25th information session to help in any way. Here at The Point - 721 Main Street Sewell, NJ 08080 2 pm - 4 pm)

Rescue - **Luke 4:18** - planting new churches and partnering with new churches.
Building our church home in Mullica Hill. The Local church.
NOTHING IS IMPOSSIBLE FOR GOD. God works in the midst of impossible.

Ephesians 3:20

(This verse isn't only for the church collectively- it's for YOU! For your kids, your family)

We can't do this alone! We are truly better together.
