Scripture and Prayer Guide

Week 8

WEEK EIGHT

Sunday- Reflect

Spend a few moments reflecting on today's message.

- What stood out to you?
- What challenged or encouraged you?
- What's one thing you heard today that you want to carry into this week?

Pray: Spend a few minutes talking with Jesus about today's message. Ask Him to continue speaking to you as you spend intentional time with Him this week.

Monday- Read

Deuteronomy 6:4-9

- What are parents instructed to do with God's commands?
- What needs to happen in a parent's own heart first?
- According to these verses, when should conversations about God happen?
- What does this teach us about how children learn about God through everyday life?

Pray: Pray for parents as they seek to make faith part of everyday family life. If you're a parent, ask Jesus to help your own relationship with Him shape what you model for your children.

Tuesday- Examine

Ephesians 6:1-4

Parents:

- *What does this passage say about your responsibility toward your children?*
- *Where might frustration or impatience be affecting the way you parent?*
- *Are you trying to control behavior, or are you helping form your child's heart?*

If you're not a parent, consider what this passage teaches about God's concern for relationships between parents and children.

Pray: Ask Jesus to give parents patience, wisdom, gentleness, and discernment as they raise their children.

WEEK EIGHT

Wednesday– Pray

Pray Slowly through **Psalms 127:3–5**

Today, pray specifically for children.

If you're a parent, pray for each of your children by name.

Pray for:

Their relationship with Jesus.

Their character and choices.

Their friendships and influences.

Their struggles and fears.

Their future.

If you're not a parent, choose a child, family, or the children of our church and pray for them.

Ask Jesus to help the next generation know, love, and follow Him.

Thursday– Respond

Proverbs 22:6

Consider the next generation:

- What are they learning from the things that you prioritize?
- When do they see you pray?
- When do they see you admit when you're wrong?
- When do they see you serve others?
- How are you helping them know Jesus better?

Ask Jesus to help parents not only teach faith with their words, but demonstrate it through their lives.

Friday– Remember

2 Timothy 1:5

- Who helped your faith when you were younger?
- What did they model that stayed with you?
- What spiritual legacy are you building in your home?
- Where have you seen God's grace on your family?

Pray: Thank Jesus for the people who helped shape your faith. Ask Him to strengthen parents as they help shape the faith of the next generation.

Saturday– Prepare

Pray: Ask God to prepare your heart for worship tomorrow. Ask Him to remove any distractions that may hinder you from hearing His voice.
